Recommended Citation

Marc Chassé oral histories, MCC-00248, Acadian Archives/Archives acadiennes, University of Maine at Fort Kent.

Collection Description

Historical and Biographical Information

Marc Chassé was born in St. Agatha, Maine in April 1938. He is the eldest of four children to Marie Estelle Franck and Emile Chassé. He left St. Agathe to attend high school at St. Francis

High School in Biddeford, Maine, where he met the woman he would later marry, Priscilla Hanna. After studying pre-med at Merrimack College in Andover, Mass, he went to Palmer College of chiropractic in Davenport, Iowa, where he graduated in 1962. Dr. Chassé practiced chiropractic in Fort Kent for 35 year, retiring in 1998. He and Priscilla raised 4 children, Daniel, Carl, Kevin, and Christine. Marc has been involved in a number of community and civic organizations and is the recipient of several awards.

In 2004, Marc published a book *Les belles histoires du Couvent de Ste-Agathe*, a 200 page compilation of 112 anecdotes from former students to celebrate the Daughters of Wisdom's Centennial in Ste-Agathe. He is an avid golf and tennis player

Scope and Content

This collection consists of video recordings of oral histories collected by Marc Chassé. These histories document the Franco-American culture of the Saint John Valley as well as local events that took place in the region. Most of his interviewees are from the St. John Valley region of Maine. There are also recordings of newsclips and television programs as well as an inventory of the VHS tapes with keywords from each recording.

Arrangement

The tapes are numbered in order, and though Madeline Soucie tried to keep the VHS tapes in chronological order when updating the collection, not all tapes are in order due to the size of the collection prior to her work on it as well as a lack of dates in certain cases.
