Collection Description

Historical and Biographical Information

The first census was taken in 1790, focusing on the country's population. In 1810, the census expanded to collecting information on U.S. manufacturers and in 182U expanded to recording agricultural pursuits of families. The census expanded from here in increments, becoming its own established governmental agency in 1902.[1]

Scope and Content

Aroostook county agricultural, industrial, and social productions.

Arrangement

The reels are stored in a microfilm cabinet in order of their volume number.
