Separated materials: Not applicable.

Related materials: Elliott, Rosemary Howe. "Child-Rearing Attitudes of Fathers and Mothers in the Franco-American and Anglo-American Populations." Thesis. Univ. of Wisconsin-Madison, 1985.

Location of originals: Not applicable.

Location of copies: Not applicable.

Biographical information: Rosemary Howe Elliott completed her Master of Science degree in Child and Family Studies at the University of Wisconsin-Madison in 1985.

Scope and content: This collection consists of materials used and created by Rosemary Howe Elliott for the research and writing of her 1985 thesis at the University of Wisconsin-Madison. Included are her thesis proposal and pilot study, "Human Subjects Proposal" consent forms,

research materials, her compiled data and statistics, completed questionnaires, various draft pages, and some non-related papers written by Elliott. The research materials cover subjects such as Maine's general social and economic characteristics (undated) and research papers written by other scholars. The questionnaires created by Elliott were completed by and sorted into the following categories: Franco-American fathers, Anglo-American fathers, Franco-American mothers, and Anglo-American mothers; the collection also includes the questionnaires that were rejected from the study.
