Separated materials: Not applicable.

Related materials: Not applicable.

Location of originals: Not applicable.

Location of copies: Not applicable.

Published in: Unknown.

Organizational history:
No organizational history is available.

Scope and content:

This collection consists of a set of Maine County maps that were used by Thomas Sweetser while he worked for the Extension Service in the 1960s. This is a published bound series of maps depicting highways, non-primary roads, towns, and cities, as well as bodies of water. They were published in circa 1938.

Inventory:

Box 1: Maps of Maine Counties, ca. 1938. 65 p.

Processing action: The maps were removed from their metal binding and each page was placed in polypropylene sleeves for protection and preservation. The pages are numbered and were kept in order when placed in an oversize box.
