Collection Description

Historical and Biographical Information

John R. Nadeau was born January 9, 1944, the son of the late Guy and Lauria (Saucier) Nadeau. John graduated from the Fort Kent Community High School and worked at Fraser Paper and Nadeau's House of Furniture. He volunteered his time with the Retired Senior program. His hobbies were to make puzzles, to play bingo, to write in his journals, and collecting articles regarding the St. John Valley. John passed away on September 19, 2013 and his family mentioned in his obituary that John was an inspiration to everyone who was fortunate enough to have known him.

Scope and Content

This collection consists primarily of newspaper clippings, memorial cards, wedding invitations, obituaries, photographs, scrapbooks, newsletters, and publications related to the Saint John Valley and beyond. A wide range of topics are included in this collection. The articles were clipped by Mr. Nadeau from published editions of local newspapers, the St. John Valley Times, the Bangor Daily News, and from a French Canadian newspaper, Le Madawaska. Part of the newspaper clipping collection was already inserted in clear plastic sleeves and labeled as "A, B, C, etc" by Mr. Nadeau. These were left in the same order. Another part of the collection was loose newspaper clippings in multiple boxes which were placed in no particular order in folders. All newspaper clippings are dated from 1962 to 2013.

The memorial cards were inserted into 2 binders, an index was created, and the binders were cataloged in the genealogy section of the Archives.

The photographs were taken out from within the newspaper articles and inserted in archival sleeves and placed in an archival photograph album. 2 large photos of the St. John River and Fish River flood of 2008 were placed in a large archival folder.

The scrapbooks contain wedding invitations with some corresponding newspaper articles and photos of the newlyweds. Also included are anniversary and graduation cards. The order was kept as is. Loose articles were left in scrapbooks. Some publications were cataloged separately. (see Separated materials).
