Collection Description

Historical and Biographical Information

It was named the Hospital Ladies Guild then and now it is referred to as the Northern Maine Medical Center Guild. The Guild was organized prior to the grand opening of the People's Benevolent Hospital on August 13, 1952. Since that time they have been extremely active in

hospital affairs. The purpose of the Guild is to render services to Northern Maine Medical Center and promote better health care for patients. Their contributions include volunteer time, money, equipment, and scholarships and it has been given to the hospital for the past 63 years.

Scope and Content

This collection consists of administrative documents, mostly from 1968 to 2006, and a large, wooden cover scrapbook, containing newspaper articles and images since the founding of the Northern Maine Medical Center Guild. All materials were inserted in folders based on series and dates.

The collection is divided into 4 series: 1. Minutes and Memberships. 2. Administrative files. 3. Hospital Happenings. 4. Images, Publications, and Memorabilia. See inventory list below.

The oversize folder, 70, from series 4 and the Guild album with wooden covers have been placed in an oversize box with shelf list number BM-420.
