Collection Description

Historical and Biographical Information

Odile was born in Fort Kent, Maine on March 7, 1898, daughter of Onézime Ouellette and Sophie Daigle. She died in Fort Kent on February 24, 1998 at the age of 99. Odile had many siblings: Joseph, Emile, Auguste, Catherine, Isabelle, Laura, Leonide, Cecile, and Emilie. She

was the owner of a women's clothing store in Fort Kent, "Chez Françoise," and a member of the Business Professional Women. She loved to travel and spend time at her vacation home in Florida. Odile never married.

Scope and Content

This collection consists of 9 archival photo binders containing 2265 black and white and color photographs and postcards from 1913 through 1990s. It depicts miscellaneous events, activities, and trips throughout Odile Ouellette's life. Photographs are of family members & friends in Fort Kent and throughout Maine, Florida, Montreal; trips to Quebec, Montreal, Nova Scotia, Southern Maine, Massachusetts, Virginia, Washington DC, New York; camps on Cross Lake; Fort Kent flood; "Chez Françoise" women's apparel store owned by Odile; Business Professional Women group; outings with snowshoe club; Chicago World Fair of 1933; New York World Fair, 1939-40; Margaret Chase Smith, Senior Senator from Maine as a friend; footbridge in Fort Kent; Madawaska Training School; Ste-Luce old rectory with tower. The images are of various dimensions.

Also included in the collection are 2 small plaques, one made of wood with a humorous saying and the other plaque depicts an English cottage style color illustration with a gold metal frame containing an ad for "Solomon Cote Jewelry and Gifts" store in Fort Kent, Maine.

Arrangement

We received 13 original albums and 1 box of loose photos with 2 plaques. The photographs were combined into 9 archival binders. The albums were scanned as is when received and loose photos were also scanned. Photographs were taken out of the albums and inserted in clear polyester sleeves for preservation. The albums were in very poor condition therefore, they were discarded. The order of the photographs from each album was maintained. As for the loose photos, they were added at the end of the collection. Some people in the photographs were already identified by the collector, Odile. A number of photographs were identified by family members from the area but several more have not been identified.
