Scope and Content

The first photograph is of a man wearing overalls over his clothes leaning one arm on the open window on a truck. He and the truck are in the middle of a field and his truck has sacks in the bed; a couple of barrels are sitting on the ground next to the bed of the truck.

The second photograph is of a group of young children standing in the doorway of a church. All the girls are wearing white dresses and veils while the boys are in suits and ties. [Similar to what children wear for their first communion in the catholic religion]. All the children are holding identical framed pictures of Jesus. A nun is standing to the left of the image with her back to the camera and some other adults can be seen in the frame as well.
