*Adjusted yet again. Includes only Mat Types 5,B,g,n,o and removes locations kres and kweb

**Count includes open access resources included in Online Catalog.

***Includes cloudlibrary and kweb items considered ebooks

^^Combination of cloud library audiobooks, kweb streaming media and websites, and **AVO**

AVO (academic video online) - was underreported in FY2021. Business & Economics collection was reported instead of the entire collection. Business Manag. had a program review that year. The number for FY2021 has been adjusted with the correct figure (mostly AVO titles)
