Data. = Database

*Acquisition person was out at the end of the FY21 year. This invoice did not get paid until she returned in FY22.

From now on invoice will be dated after July 1.

**These resources will now be included with the system resources. Do not have \$amount for system resources. This will affect the \$amount for Q21a ebooks.

The amount figured for these in FY21 is incorrect.

***\$20,000 in CARES funding reduced each campus amt due for FY22

****System overage was applied to this resource. Overage will be applied to different resources every year.
