RE: Compact Disc Distribution to Maine Organizations

Dear Recipient:

Your organization is receiving these music compact discs as part of a nationwide antitrust settlement of a lawsuit alleging price-fixing by compact disc manufacturers and retailers. I am pleased to forward your share of the allotment of compact discs (CDs) that were apportioned to Maine. According to the settlement approved by the court, the CDs must be used to further music-related programs or purposes reasonably targeted to benefit a substantial number of the purchasers of compact discs and cannot be used to replace or supplant any funding for the purchase of pre-recorded music.

Maine was allotted over 25,000 CDs as a result of the settlement. Those CDs are being distributed to schools, public libraries, and colleges throughout Maine. The specific CDs that each recipient is awarded is based on a random allocation by the claims administrator.

All the CDs that are being distributed nationwide were selected because they were on sales charts for a minimum period of time, or have otherwise been identified as titles with appeal over a long period of time. If you object to any individual CD you have received, please contact Laurie Simpson of my office (207/626-8864 or Laurie.Simpson@maine.gov) for instructions on how your CDs can be redistributed to other entities who may wish to receive them. You will not receive substitute CDs. If you receive CDs which are not appropriate or useful for your collection, or which are duplicative, you may wish to use those CDs for fund-raising purposes, such as through library sales or auctions. However, if you do so, any funds raised must be used in a manner that complies with the settlement agreement.

I am pleased that my office's enforcement of state and federal antitrust laws has led to this positive result on behalf of consumers in Maine. My hope is that through this distribution of CDs, consumers and their families will continue to receive the benefits of this settlement for years to come.

Please extend my thanks to everyone involved in making this program successful.

Sincerely,

G. Steven Rowe
Attorney General
