*Prior to FY2007, many of the statistics included non-cataloged items. Microfilm and Microfiche continue to be manually counted.

**Prior to FY2007, all numbers were calculated manually by adding and subtracting from previous year's statistics. As of FY2008, we are using Millennium to pull stats by material type. In FY2008, more categories were added, resulting in the lack of statistics for FY2007 in some categories.

***eBooks count includes titles held through Nelineet
