*New databases for FY2010

**New database added June, 2010

The Ebsco Image Collection was never included in previous statistics due to low usage and it not actually being a database. However, due to the high volume this year the following is a look at the statistics:

Database Title	UMFK FY2010	UMFK FY2009
Sessions: Image Collection	4220	7
Searches: Image Collection	14433	13

Next year, if the numbers continue to be large, we will add the Image Collection to the regular list.
