\*FYE classes have been split in FY2012 and FY2013 meaning that each FYE classe was seen twice, once for library tour and once for BI instruction. However, only one visit was counted.

\*Psych instructor K. Holzhausen was on sebatical this year. He usually had students sign up for smaller group session outside of class. This year, the instructor stepping in invited staff into the class to do one session for all students. So the number of sessions will be down, but student count would not necessarily be affected.
