*Prior to FY2008, many of the statistics included non-cataloged items. Microfilm reels still manually counted.

**FY2011, this number culled from SerialsSolutions Data Summary for unique ebook titles. FY2012 forward, number from Millennium ebook count + OverDrive ebook count (Adobe only).

***FY2014 UMS removed individual campus item records from system ejournals to accommodate a simplified process for maintaining database ejournals in Millennium. As a result, all UMFK item records for any ejournals, including a number of non-English journals, were removed from the system.
