

**JUNE 2017 FLOATING DATA**

FK OUTGOING	FK	OWNING LIBRARIES				TOTAL FLOATERS TO FK
		FAR	USMG	USMLAC	USMP	
USMP	95					
USMG	24					
USMLAC	7					
FAR	51					
FK		13	7	8	11	39
TOTAL FLOATERS FROM FK	177					

In Spring FY2016, Blake Library and the three USM libraries jointly began floating (parts) of their collections. Farmington joined in the flow in the fall. Statistically, we see which materials are floating at a given point in time. We are unable to track the various places a single item may go as it floats. Will begin tracking monthly flow rates for FY18.
