\* Electronic people counter begins to malfunction. Staff begin taking a manual head count at specific times. See continuing data.

First summer = July and Aug of first half of fiscal year (e.g. July and August 2015)  
 2nd summer = May and June of second half of fiscal year (e.g. May and June of 2016)

Patron in-house count began in the fall of 2017. It included those hours when staff are not on hand; weekdays 9-11pm, Fridays 4:30 to 8pm and weekends. In February, due to malfunctions with the people counter, the in-house count extended to fixed times throughout the day, every day. It took time for everyone to get used to walking the library at specific times to take a head count.
