*Title count (FY2019 was item count)

**This # is only audiobooks from Cloud Library

***Count made in August, 2020. Some databases were removed before the count was made.

^No purchase made. May reflect Freely Accessible title that may not have been counted FY2019

^^Most likely count was by item not title

^^^combination of cloud library audiobooks and kweb titles

As of FY2020 the count must be by titles not items unless otherwise noted

*Difference from previous year is due to the mislabeling of items. Items that should have been labeled as a book were not.

**Inconsistencies in counting an item as a book or as a serial in FY2015 resulted in significant differences from FY2014 to FY2015. From FY2016 on how these materials are counted has been clarified and will be consistently done to reflect accurate book totals.
