

God give me strength - Inez Day Richards

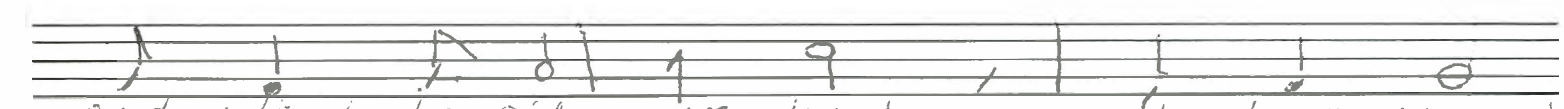

God give me strength and help me not to sin
God give me faith in prayer at dawn or day

Help me to live that I may enter in the golden gate of
Heaven my foot-steps all a-long the way that I may be made

Heaven open wide, where an-gels flut-ter round
wel-come in that home, where an-gels join in chor--

and stand be-side our loved ones who have earned
us with our own de-part-ed. who us-er-

the sac-red joy of living in the faith that hel-low
-ed-high a hour to per-fect hap-pi-ness and kles-ing

~~and~~ not des-troy
in God's love
