Oh Moth - er dear  
I miss your voice

the flow<sup>ers</sup> bloom as ev - er, The birds are chirp - ing  
of cheer a - midst the sha - dows, As twi - light deep - ens

at the ear - ly morn; The frogs sing in the ponds and in the  
and the day has flown; A mis - ty fra - grance ris - es from the

riv - ers, In mourn - ful mel - o - dy since you have gone.  
mead - ows, And spreads a bless - ing o'er the deeds you've done.

CHORUS

Oh Moth - er dear I hear your sweet voice plead - ing!

As on your grave I kneel to say a prayer,

For God will know how much your care I'm need - ing,

And bid the an - gels bring me safe - ly to you there.
