

Welcome to the tutorial on accessing Electronic Resources from off campus

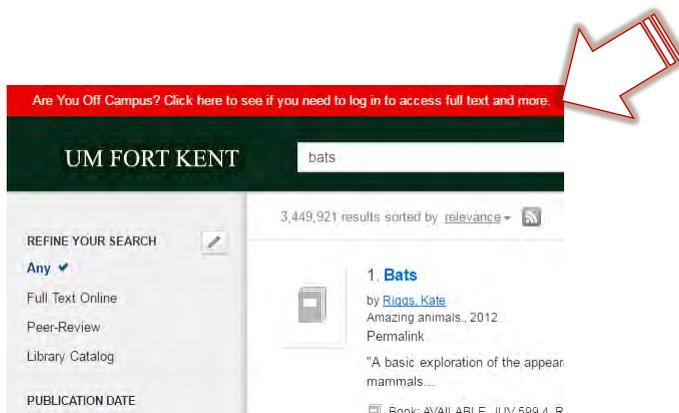

If you are already signed into your campus portal, then accessing the resources is easy.

A screenshot of the 'Campus Portal Login' page. At the top, it displays the university logo and the text 'UNIVERSITY OF MAINE AT FORT KENT Campus Portal Login'. Below this, there are two input fields: 'Username:' followed by a text box containing '@maine.edu', and 'Password:' followed by an empty text box. A black 'LOGIN' button is positioned at the bottom right of the form.

When signed in, you can click on the red bar at the top of OneSearch to let it verify you are already signed in.

If you don't plan to sign into your portal first, you can still search for resources in OneSearch. Once you have searched, go ahead and click on the red bar to sign in.

Once you have done so, you will be taken to the Mariner login screen.

The requested resource requires you to authenticate.

[<< Return to Previous Page](#)

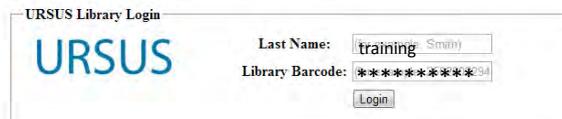

UMS faculty, staff and students can now also login through the UMS Campus Portal using your Maine Street (UMS) password by clicking on the UMS logo below. You can still login using your ID barcode at the bottom of this page if you prefer.

You have the choice of signing in with your portal account...

...or with your last name and barcode from your student, staff, faculty, community ID

Patrons of the Bangor Public Library, Maine State Library, Maine State Archives or the Maine State Law & Legislative Reference Library, please continue to login using your last name and library barcode number. UMS faculty, staff and student barcodes can also be used. Your library barcode number is the 14 digit number starting with 2502, located on your library card. For assistance, please contact your library.

Once you have successfully signed in, you will be able to access any of the resources you need to.

HAVE FUN!
