**Blake Library Databases: Business**

These electronic databases are licensed by Blake Library. Access is limited to students, faculty, and staff of University of Maine at Fort Kent. Many of these databases provide access to journal article citations and abstracts, with some full text. Check with a librarian for further assistance.

**Available Databases for Business**  
**Business and Company Resource Center**  
Comprehensive source of information for conducting company, industry and market research. Provides access to the contents of over 4,000 business and economics periodicals (over 3,000 with full-text coverage). Also includes the contents of key reference works such as Ward's Business Directory of U.S. Private and Public Companies, Business Rankings Annual, Market Share Reporter and Encyclopedia of Associations.

**Licensed Number of Users: Unlimited**  
**Locations:** UM, UMA-BCL, UMF, UMFK, UMM, UMPI, USM, USM-L/A, BPL, LAW, MSL, LEG  
**Format:** Internet  
**Remote Access:** Available

**Business Source Complete**  
Business Source Complete indexes and abstracts more than 100,000 journal articles and abstracts in the fields of business and industry. More than 3,700 provide full text. Additional full-text books, monographs, major reference works, conference reports, industry reports, market research reports, country faculty seminars (videos), and more. Updated daily.  
**Locations:** UM, UMA-BCL, UMF, UMFK, UMM, UMPI, USM, USM-L/A, BPL, LAW, MSL, LEG  
**Remote Access:** Available

**Business Source Premier**  
Provides full text for more than 2,800 scholarly business journals of which 912 are peer reviewed. Coverage includes: management, economics, finance, accounting, international business and much more.

**Once you submit your choice of subject, you will see a list of results for different databases relevant to that subject. In this case, the list starts out with two very good databases specific to business.**
